

# RNA Biology AWAJI, JAPAN

December 5-9, 2022

Awaji Yumebutai Conference Center

## ORGANIZERS

**Ling-Ling Chen**  
Shanghai Institute of Biochemistry and Cell Biology, CAS

**Masatoshi Hagiwara**  
Kyoto University Graduate School of Medicine

**Martin Jinek**  
University of Zurich

**Adrian Krainer**  
Cold Spring Harbor Laboratory

**Yukihide Tomari**  
The University of Tokyo

Abstract deadline  
October 14, 2022

## INVITED SPEAKERS

Ana Boskovic, EMBL

Ling-Ling Chen, Shanghai Institute of Biochemistry and Cell Biology, CAS

Hong Cheng, Institute of Biochemistry and Cell Biology

Archa Fox, The University of Western Australia

Masatoshi Hagiwara, Kyoto University Graduate School of Medicine

Yuka Iwasaki, Keio University School of Medicine

Torben Heick Jensen, University of Aarhus

Martin Jinek, University of Zurich

Daiju Kitagawa, The University of Tokyo

Jørgen Kjems, Aarhus University

Adrian Krainer, Cold Spring Harbor Laboratory

Denis Lafontaine, Université Libre de Bruxelles

Jinbiao Ma, Fudan University

Ian MacRae, The Scripps Research Institute

Karla Neugebauer, Yale University

Donal O'Carroll, MRC Centre for Regenerative Medicine

Yijun Qi, Tsinghua University

Olivia Rissland, University of Colorado School of Medicine

Martin Simard, Laval University Cancer Research Center

Yukihide Tomari, The University of Tokyo

Yue Wan, Genome Institute of Singapore

Mian Wu, University of Science & Technology of China

Phillip Zamore, University of Massachusetts Medical School

Qiangfeng Zhang, Tsinghua University

## KEYNOTE SPEAKERS

Narry Kim, Seoul National University

Matthias Hentze, EMBL Heidelberg

## MAJOR TOPICS

- RNA splicing
- RNA turnover and translation
- RNA regulation in cellular bodies
- RNA and RNP structures
- Small noncoding RNAs
- Long noncoding RNAs
- New technologies in RNA biology
- RNA in disease and therapeutics

## FELLOWSHIPS

We are eager to have as many young people as possible attend since they are likely to benefit most from this meeting. A number of presentations by graduate students and postdocs in this conference will be selected for major fellowship (USD \$100-\$500) awards.
